

SPONSORSHIP OPPORTUNITIES

On March 4, 2020 over 400 Washington wine industry members and friends will come together to raise a glass (and some money) for the future of Washington wine at the Foundation's annual Party + Auction. Attendees mingle with friends--old and new--over dinner, hosted wine from some of our state's premier wineries, fantastic live and silent auctions, and great entertainment.

As a sponsor of this much-loved industry event you will support the important work of the Foundation while positioning your company as an industry leader.

The Foundation has been bringing together partners and facilitating funding to craft sustainable solutions to our industry's toughest challenges since 2001.
