

2024 SCHOLARSHIP INSTRUCTIONS

If you are a student interested in pursuing higher education in viticulture, enology, and other wine-related studies, we want to help get you there!

The Foundation is home to several scholarships created by and on behalf of Washington wine industry leaders – because they believe in you, the future of our industry. This year, those scholarships include:

- Albert Don Memorial Scholarship
- Alliance of Women in Washington Wine Scholarship
- Foundation Scholarship(s)
- George & Susan Carter Scholarship
- Horse Heaven Hills Scholarships
- Walter J. Clore Scholarship(s)

You may qualify for one or multiple scholarships. Either way, you only need to submit one application. Completed applications are reviewed by a Scholarship Committee, who makes a recommendation to the Foundation Board of Directors on awards.

An application is considered complete when all items have been submitted by the scholarship deadline. Follow these instructions for the greatest success in your application process.

1

APPLICATION DEADLINE:
FRIDAY, APRIL 12, 2024

Mark your calendar and make sure you have plenty of time to submit an application, required letters, and school transcripts on or before the application deadline. Incomplete applications (missing required information) will not be considered for any scholarships.
